## **Warsaw-Kętrzyn Air Rally 2006**

### **Navigation Competition – June 03<sup>th</sup>, 2006**

The navigation competition requires each aircrew to locate 18 objects presented on photographs as well as 12 signs and/or letters that will be located along the planned flight route from Szczytno Szymany Airport to Kętrzyn Wilamowo Airport. Checkpoints at known and undisclosed locations will control elapsed flight times. Aircrafts will potentially be outfitted with a flight logger supplied by Andrzej Osowski, the Head Coach of the Polish National Pilot Representation, who we will have the honour to guest at our competition.

#### **Schedule for Saturday May 28<sup>th</sup>:**

- 10.00 - Flight briefing for all aircrews at the Olsztyn-Dajtki Airport Tower for the navigation competition in Polish and in English. The briefing will include the distribution of charts, a description of the planned flight route, photographs, competition and right of way rules.
- 11.00 - Individual preparation of aircraft and aircrews.
- 12.00 - Departure of first aircrew from Olsztyn-Dajtki Airport.
- 12.05 - Departure of next aircrew from Olsztyn-Dajtki Airport.  
Successive departing aircrews will be spaced apart by five minute intervals.

Note: all times are listed as local times.

Each aircrew will be required to fly the 260km planned flight route to Kętrzyn Wilamowo Airport at 1300ft AMSL (300m AGL). The 1:500 000 charts provided to the aircrews by the organisers will have the planned flight route marked along with all waypoints along the way. **Please make sure to include the True Airspeed (TAS) of your aircraft in the registration form as this will enable us to make the necessary calculations for the competition and to set the succession of the aircraft for departure.** This information is also required from Flight Information Service to ensure the safety of all aircraft flying in the region.
